

Dear Partners of Sean & Kirsten,

Hello, my name is Robert Tomaschek and I am the Pastor of Christliche Glaubensgemeinde (Christian Faith Church) where the Hirschy's are ministering. While I was the Dean of RHEMA Austria 6 years ago the Lord led us to this small German city with a population of app. 12,000 people. We started with a home group of 6 people and the Lord has blessed the ministry ever since. There are now app. 100 people worshipping here each week.

As Pastors of the Church Sean & Kirsten are ministering in, we want to thank you for supporting them with your prayers and your giving. They are a huge blessing to the congregation with their tremendous worship gift, lifting the believers up. They have really brought the whole church to a new level in worship. They are also ministering to the Rhema Bible Training Center students in worship which really helps the students to grow in the Spirit.

I graduated from Rhema Austria in 1997 with my wife Irmi and since graduating we have had it in our hearts to spread the message of faith all over Europe. (Even within Bible believing churches the faith message is not spread very much to this point.) We started a bible school in 2003 which is now the southern campus of RHEMA Germany. Germany is opening up more and more for the gospel and the believers are opening up more and more to the message of faith. We are living in strategic times – the door of opportunity is wide open!!!

Of all the Missionaries we know Sean & Kirsten have learned the German language the fastest. This is really a key to the hearts of the local people and the effectiveness of their ministry.

They are both ministering to the youth which has doubled since they have been here in Germany. Now they are entering into a phase where their many investments are starting to bring much fruit. They have started a youth band as well as a small group for girls.

Kirsten is also helping in the church office. She takes care of our regular bookkeeping.

It is awesome to see and experience how good they fit in the culture here and how God has prepared them to do exactly what they are doing right now, helping to fulfill what God has in store for Germany and Europe as whole. We just wanted to let you know that your prayers and your giving are really making a difference in this country. You are having a part in bringing in the harvest of precious souls and changing this nation. I want thank you so much for doing that.

Be encouraged to support their ministry even more since this is good ground and they are producing great fruit!

God bless you richly,

Pastor Robert Tomaschek
