

Pure Flow

Ministries

As of October 3, 2011, Pure Flow Ministries has been ministering in Germany for 4 years! We are excited to enter this new year and see what the Lord has in store for us in our ministry and our family. He continues to prove Himself faithful as we endeavor to follow Him and His plan. He has great plans for us and for YOU! Jeremiah 29:11 (NLT) He tells us about these plans: *“For I know the plans I have for you,” says the Lord. “They are plans for good and not for disaster, to*

give you a future and a hope” His plans are GOOD! So we expect GOOD things to come our way and YOUR way!

Sometimes we allow ourselves to focus so much on what we are wanting or needing that we miss the “good” that is happening in our everyday. I know when I get a bill in the mail I can tend to focus on how we’re going to get the money to cover it even when it isn’t due for a couple of weeks. Then I miss the victories of today. We had 3 good meals, we’re all healthy, we have gas in our car(s), and all of our current bills are paid. Some days this is huge but I’m too busy worrying about tomorrow to see how the Lord has taken care of me today. Oops. He’s not leading us into disaster. He’s leading us in His good and perfect plan. He knows our need and encourages us in Matthew to seek after Him and allow Him to do what He does best, take care of us. Matthew 6:31-34(NLT) *“So don’t worry about these things saying, ‘What will we eat? What will we drink? What will we wear?’ These things dominate the thoughts of unbelievers, but your heavenly Father already knows all your needs. Seek the Kingdom of God above all else, and live righteously, and He will give you everything you need. So don’t worry about tomorrow, for tomorrow will bring its own worries. Today’s trouble is enough for today.”*

Do I trust Him? Do I truly believe that He will do what He says in His word that He’ll do? We’ve got to be real with ourselves. Do we believe it or not? If so, REJOICE, often, always, everyday! If we don’t, go to Him. He knows it’s not easy for us. He knows we’re not perfect. We can pray something like this, “Lord, I know that Your word says Your plans for me are good and that You take care of me but I’m just not seeing it. Help me to see You working in my life. Help me to trust You with every aspect of my life. I love You, Lord. In Jesus name, Amen.” He’s not afraid of us being real with Him. Actually, He knows better than we do how we are really doing. What’s important is that WE figure out how we’re really doing. I think this is a good thing to “check” at the beginning of the year. How am I doing? How’s my relationship with the Lord (and with others)? Have I been trusting Him?

We’re going to have a good– or rather– GREAT year! A year of trusting Him to take care of us. No worries, no concerns, casting our cares on Him (1 Peter 5:7). Pursuing Him and allowing Him to be God in our lives and make the impossible possible!

Together we are making a difference in Germany!

As we begin a new year in ministry, I wanted to give you a glimpse of how things are looking right now. We have encountered a series of challenges in the youth ministry this year, we've had a positive end to the year and are looking forward to a productive 2012!

We made some adjustments in October, and they really seem to have helped our youth connect better with one another and with the Word of God. In fact one of our young men paid us a huge unsolicited compliment the other day, basically saying, "I can't describe exactly 'why,' but youth has just been the bomb recently. It's just been awesome somehow!"

We are currently finishing plans for the year to build on this momentum...and win more teens! Please be believing with us for wisdom and for the youth to be engaged in carrying out these plans!

i believe®

As for 'I Believe,' we have finally been able to promote the movement and sell some product at a couple of regional conferences this past year. Now that we own the rights we are able to promote the message more widely throughout Germany as opportunities arise.

As part of the development of I Believe we are planning a camp for the fall of this year, where we can gather youth from various churches and prepare them to stand together as a united force for the Kingdom of God!

This will also be our busiest year yet with Rhema Europe! This month Sean will be teaching the 'Holy Spirit' class in Detmold, Germany and in February he'll be teaching 'Spiritual Growth' in Amsterdam, Netherlands. We're excited about the growth of RBTC here and the opportunity to prepare laborers for the harvest all over Europe!

Keep the Vision Clear:

What are we seeking to accomplish together?

-reach teens all over the world -raise the level of worship -train future ministers with Rhema
